PRESS RELEASE

October 19, 2015

City to do expanded sweep program in MLK

The Martin Luther King neighborhood will be the next to experience the city's expanded clean-up sweep program as part of Mayor Ollie Tyler's Litter Abatement and Beautification Campaign.

Inspectors for the Department of Property Standards will conduct a sweep near the David Raines area Wednesday. This is a continuation of efforts to remove blight from the City of Shreveport.

The department of Public Works will fill potholes, sweep rights of way, remove illegal signs and graffiti, clean up dump sites and remove trash from curbsides.

Representatives from the Police Department, Public Works, Animal Control, Water & Sewage and MPC-Zoning will assist in the sweep.

Trash bins will be available for residents to discard tires, bulky trash items and debris. Dumpsters will be available 9 a.m. –3:30 p.m. Wednesday at 1627 David Raines Road. The trash bins are for residential use only.

Citizens may arrange for pick-up of large items by calling 673-6204 or 455-6065.
